Ornamental Trees

By Express—Not Prepaid

Ash

EUROPEAN — Handsome small tree with pinnate foliage. White flowers in late spring followed by large clusters of attractive red berries all summer and fall. Nice for lawn or curb planting. Each, 6 to 8 ft., \$1.00.

Birch

CUTLEAVED WEEPING — Its graceful drooping habit, vigorous growth and silvery bark with nicely cut foliage is rarely met with in a single tree. 6 to 8 ft., each, \$1.50.

EUROPEAN WHITE — This type grows upright in contrast to the weeping variety. Its bark turns white as it ages. Leaves are well shaped and dark green in color. 6 to 8 ft., each, \$1.00.

Elm

SIBERIAN or ASIATIC — A wonderfully rapid growing tree. Introduced by U. S. Government for the semi-arid sections. 25 feet tall and 1 foot in diameter in five years from planting is recorded. Each, 6 to 8 ft., 85c; 8 to 10 ft., \$1.50.

Flowering Crab

BECHTEL'S FLOWERING DOUBLE — A medium sized tree of rather upright growth covered in early spring with large clusters of pink double flowers. Each, 90c.

Hawthorne (English)

PAUL'S DOUBLE RED — Rich brilliant scarlet red flowering tree. Fine for lawns. Each, 6 to 8 ft., \$1.25.

Horse Chestnut

One of the old favorites. A very slow-growing tree, but yet a very beautiful one. It has very large leaves, light green in color, and in spring is covered with immense panicles of white flowers. 4 to 5 ft., \$1.00; 5 to 6 ft., \$2.00.

Locust

BLACK — Native tree of large size. Fragrant small flowers. Fine for windbreaks. 6 to 8 ft., each, 75c.

GLOBE LOCUST — This tree makes a round, compact globe-shaped head without any pruning. There are no thorns on this variety. Indispensable where a formal effect is wanted. Each, \$2.00.

Maple

NORWAY — Probably the most suitable tree for street planting. Has a general recommendation by landscape architects and park departments. 6 to 8 ft., each, 85c; 8 to 10 ft., \$1.25.

SCHWEDLER — It has all the fine qualities of the Norway and is identical with the exception that the leaves come out a brilliant dark red, remain so for two or three weeks and then gradually turn green. 8 to 10 ft., each, \$2.00.

Willow

WEEPING — A graceful tree. Fresh green tint and wavy branches are very attractive. 6 to 8 ft., each, \$1.00.

Climbing Vines

ENGLEMAN IVY — An improvement over the old Virginia Creeper. Very rapid and hardy grower.

CLEMATIS PANICULATA — White flowers in masses.

HONEYSUCKLE HALL JAPAN — Fragrant white and yellow flowers.

HONEYSUCKLE SEMPERVIRENS — Bright red flowers in profusion. All Vines — Each, 35c prepaid.

Asparagus Roots

WASHINGTON — Newest and best commercial variety. 2 year roots. 25, 50c; 100, \$1.50 prepaid.

Consult us for **VINES** — **FRUIT** and **ORNAMENTAL TREES** — **EVERGREENS** — **FERTILIZERS** — **INSECTICIDES** — **SEEDS** of all kinds. We are able to supply you in Horticultural Service.
